Attorney Docket No. 17472 USA

Filed: February 12, 2001

: DECISION GRANTING PETITION UNDER 37 CFR 1.137(f)

This is a decision on the petition, filed May 12, 2003, to revive the instant nonprovisional application under the unintentional provisions of 37 CFR 1.137(f).

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be filed within TWO MONTHS from the mail date of this decision. Extensions of time are available pursuant to the provisions of 37 CFR 1.136(a).

Petitioner states that the instant nonprovisional application is the subject of an application filed in a foreign country "on or slightly before the one-year-anniversay of the U.S. filing date" of this application.

A petition under 37 CFR 1.137(f) must be accompanied by:

- (1) the reply which is met by the notification of such filing in a foreign country or under a multinational treaty;
- (2) the petition fee as set forth in 37 CFR 1.17(m); and
- (3) a statement that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional.

The petition fails to comply with item (1) above. More specifically, while notification has been given of the foreign filing, the petition fails to state the date of such foreign filing. Accordingly, the date of foreign filing must be supplied in order to grant the revival of the instant application.
